Bring your ear muffs—it's cold  
in the stratosphere.

Schuss and shoot in the Biathlon  
event. Watch those trees...

Shake and rattle (don't roll) in the  
Bobsled event.

Get ready to capture the Gold in *Winter Games*. And what an incredible setting—a completely realistic winter wonderland featuring seven action-packed events. You can compete against your friends, or go solo. Train and learn a winning strategy for each event. You can even choose the country you want to represent. Then the competition begins, and the quest for the World Championship.

It's all here—the strategy, the challenge, the competition—the art

and pageantry of *Winter Games*!

- Seven Winter Events: Bobsled, Ski Jump, Speed Skating, Hot Dog Aerials, Biathlon, Luge, and Slalom.

- Unique joystick control—requires timing and skill.

- One to eight players.

Rating: Easy Coding: Easy games are coded on "Action" or "Learning".

Rating: Moderate Coding: Games are coded on "Action", "Strategy", or "Learning".
