THE ACTIVISION[®] DECATHLON

YOU DO IT FOR YOURSELF,
YOUR COUNTRY...
AND THE GOLD.

All of the individual athletic disciplines are yours — speed, strength, stamina and the desire to win. But they will all have to come together as one, because you're about to participate in the most prestigious video sporting event in history:

THE ACTIVISION DECATHLON

Conceived and designed by David Crane.
For one to four decathletes.

- Decathlete is fully animated throughout all events.
- Speed Gauge registers your relative running speed.
- Real-Time Clock counts fractions of seconds to minutes.
- Distance Markers are accurately positioned.

LET THE GAMES BEGIN!

Use Joystick Controller.

Game cartridges are covered by
Activision's limited one-year warranty. See details
on enclosed.
